> FOR SALE. The following described Real Estate & Personal Property

Will be sold at Public Sale to the highest bidder, at the PHILADELPHIA EXCHANGE, In the City of Philadelphia, btate of Pennsyl-

The 14th Day of June, 1871.

AT 12 O'CLOCK, M. -NO 1.-All that piece or parcel of land situa'e and be-ng in Fiench Criek township, Venenge county, tate of Pennsylvania, bounded and described an allows, viz: Beginning at a post on the west lime of the whole trace, at a point 78 perchas from a semiock, the northwest corner of the said risct; hemiock, the northwest corner of the said fract, themes routh 74 degrees, east 195 perches, more or less, to French Creek; themes down hand creek by the several courses thereof about 75 perches to a white wishuit; themes south 15 degrees, west 15 perches to a bickery septing, corner of (normer.) R. C. Longwell's land; thence by the same and lands of ziowasan north 74 degrees, west 194 perches to a post on the back or west line of the tract; thence by the same north 15 degrees, east 190 perches to the place of beginning, containing one hundred and six acres and minery-eight perches, more or less, subject, however, to a lense for ten acres and five acres. The above tract is known as the "Longwelf farm," and is situate on French Creek, about two miles above the city of Franklin.

—ALSO NO. 2— It saves from one to two barrels of oil every time the tubing is withdrawn from the well, and keeps men, ropes, tools, &c., clean

All that certain piece or percel of land situate and being in stancy Creek township, Venengo county, State of Fennsylvania, bounded and described as follows, viz: Beginning at an ash stump on the bank of the Aligneny Hiver; thence south of Segrecs, wet 68 permes to a winte oak; thence south one degree, west 52 perches to a stone pile, on the back i ne of the tract; thence by lands of the heirs of Win. Dewoody, decessed; north 61 degreas, west 99 perches to a to p le; thence by out-lot of Frankin, north 47 degrees, east 100 perches to a post on the b. Mr. I the river; thenc: down said river by the several counses thereof counts 484 degrees, east 29 8-10 perches, south 61 degrees, east 132-10 perches, south 72 degrees, east 132-10 perches, south 72 degrees, east 132-10 perches, south 72 degrees, east 15 degrees, east 15 degree s, east 10 perches, south 85 degrees, east 10 perches, to the Segrees, east 5 degrees, east 17 perches to an ash tump, the place of beginning, containing forty-tires acrea and twenty-two perches, more of less. The tract is mear the southern limits of the oity of Franklin.

-ALSO NO. 3.-

Ali that certain piece or parcel of land situate and being in Granberry township, Venango county, btate of Pennsylvanis, bounded and described as follows, ris: Beginning at a post on the bank of the Allegheny River, the upper corner or land sold by D. B. Irwin to Robinson, Chess and McIntyre; thence up said river 65 perches to a post on the bank and river to a post on the back or south line of the tract; thence along sold line of post on the back or south line of the tract; thence along sold line of postens to the corner of land of Robinson. Chess and McIntyre; thence along said line to a post on the bank of the river, the place of beginning, containing about surpeen scree, more or less. This tract lies nearly opposite the town of Rems, and in if evicinity of good wells. No developments have ever been made upon it. The Allegheny Valley Radiroad passes through it, and for receiving fuel.

—ALSO— It is situate, cheap, convenient, and does not take as much time as the usual wrapping of rags around the joints. Any of the patent clamps may be used. There is no other patent used in the oil butiness that will pay a greater per centage on the successfunt. It is made to fit the usual sizes of small and large Casing Tees. Other sixe made to order. Sent to any part of the oil regions on receipt of the price. In ordering give diameter of Casing Tee.

The trade supplied on liberal terms. Orders solicited. Price \$10.

A lease of about 75 acres of the tract known as the Daniel Keiley farm, situate in Eugar creek township, Vennago county, Pa. lying in the valley of Two-Mile Run, about two miles from the Alleghouy Biver, and about four miles from the city of Franklin. This louse pays a ropaity of 29 per ont. of the product to the land interest. It has about five years to run, and has u, on it two amail temant houses, one portable engine and botler, with tubing, sucker-rode, etc., for one well, subject, however, to a sub-lease of about two a rea.

Tract No. 1, being the Longwell farm, has upon it a frame dwelling house and barn, suite. le for a tebent. A portion of the tract might be tilled, and its proximity to Franklin gives it value or featuring purposes.

straing purposes.
One well upon this tract has formerly produced largely of lubricating oil. A portable engine and boiler stands at this well, and will be sold with be land, or separately. --ALSO--A judgment against Whipple & Ecynolds, for but (\$600.00) an hundred dollars, at any line

A indement spaints waippie of heynolds, for about (\$600.0) are hundred doints, standing upon the records of the Court of Venango county, Pennsylvania.

All of the foregoing real estate and personal property will be sold at the time and place named above, being the property of the tentratia Gil Company. A portion (say one-half) of the purchase money of Tract No. 1 may, if desired, remain for one year, to be secured by bond and mortgage. .ortgage.. Any additional information desired may be had --HIRAM BROWER

which left but four to start, who took their | Should the Council Appropriate Money for the Celebration?

Editor Morning Herald: In the edition of your valuable paper of the 8d inst. is a report of the proceedings of "the committee of thirteen, Colonel lader, Prosident. O. Keese, Chairman." One sentence in In the absence of the President, Mr. trial. Ida led from the beginning, and the report of the proceedings is as follows: Bryan acted as Chairman. "Upon motion the Common Council was park was nearly twice as large as on the stretch of the first half mile the driver of requested to appropriate a sum of money day previous, and the same good order and Boaster pulled him in hard, and it was to assist in meeting the contingent ex-

Now, it is all very fine for the Common of them came in carriages. The number Boaster came in second. Bay Jim and Council to appropriate money for such a purpose as the committee of thirteen propose, if they, the said Common Conneil, will, after appropriating, as requested, simply use their own individual fund to pay it.

If the Common Council will but do so,

they will deserve the gratitude and should receive the thanks of all the proprietors and keepers of places of entertainment in the city, for the places of entertainment alone are to receive the benefit.

For the Common Council to appropriate the funds which belong to the city, and the funds which belong to the city and the funds which belong to the city and which are paid in to the city treasury, alike by the rich and the poor, and for the

of our city government, would seem to be like the patriotism of the Rev. A. Ward. who declared that he would willingly sacrifice all his wife's relations, sooner than see our nation destroyed. Hundreds of our citizens find it extremely difficult to pay the burdensome amount of taxes assessed, and for which their little property is held liable for the payment, and shall the money obtained from such he taken to pay for a grand

certain few in Titusville. Would It not seem the proper course for those who feel able and willing to simply assess themselves and pay anch sums as under the direction of the Street Committhey may choose towards making a fund for defraying the expenses of a Fourth of July celebration? I think it would, and I think that the hotels and salcons and all places for the entertainment of the public can and should defray such expense.

belonging to the city for such a purpose no more right than they have by virtue of public exhibition and holiday parade. ture to the order on the Treasurer, and street, and asking the Council to order a by which alone would the Treasurer bo bridge to be built at this point, was on

justified in paying it. If the members of our Common Council individually feel particularly patriotic and enthusiastic, surely no one will object to this appropriating thousand of their own cause the obstructions of the Gas and linestreet. The prices named are for the funds towards defraying the expenses of decorations, for a parade and for fire. Church Run, under the bridge on Drake crackers and pin-wheels. But there are street, between Main and Walnut streets. very serious objections to their attempting payer to contribute to a fund, which is to benefit a very tow, and to make a day cent, of tax to be levied for school purwhich all Americans should hold in grate- poses on the real and personal property in E. PLURIBUS UNUM.

Proceedings of the School Board.

TITUSVILLE, PA, June 5th, 1871. Present-President Henderson, and Mesera. Phelps, Hoenig, Minor, Fowler,

Minutes of last meeting were read and approved, with the correction that immedistely after the resolution: "Moved that were made, and then the distance judge magnificent display of scenery, the artishad to line them. Hope behaved badly, tie skill of the acting, and the brilliant for school purposes, and one and a half per cent. for building purposes for the ensuing year, on the present valuation," the following be added: "And the Secretary be instructed to give such written notice."

Moved by Mr. Phelps, that an order for one hundred dollars be drawn on the Treasury in favor of Joseph Stattheimer for services as Secretary, in pursuance of contract entered into between him and the

knowledgment. We were deceived in regard to the mare, as we frequently bave been deceived in relation to her. "Uncle Fuller" writing from Rochester last fall, told the truth when he said that the racing days of the mare were over. There has been a great deal of useless misrepresentation in regard to the condition of Lady Thorne; and unfortunately the misrepresentation of the sale of the mare from those who were interested in her well doing."

WATRR WORKS.—The committee on procuring subscriptions to the Water sentation came from those who were interested in her well doing."

May of the mare were over. There has been a great deal of useless misrepresentation is regard to the condition of Lady Rock ago, but yesterday made another sentation came from those who were interested in her well doing."

MATRR WORKS.—The committee on the function of the Water sentation came from those who were interested in her well doing."

MATRR WORKS.—The committee on the function of the work of the w

merit and retain it, I remain Yours respectfully. The bids were referred to the Street Committee.
